

I brought along a basket of perfume samples for everyone to enjoy... sense of smell...

A really good turnout for
“A Soiree for the Senses”
 A joint effort of the BC Association of the Deaf-Blind,
 the Canadian Deafblind Rubella Association-BC Chapter,
 and the Deafblind Services Society.

I'm teetering on one foot as still not able to stand on my injured leg.

Norm and I did 10-minute samples sessions of Reiki ...sense of touch... See the ORB by the floor between us?
