

Little lady bugs lying on the lawn languishing in the Light.  
What are you going to do when the sun goes down and the day turns into night?

When you wake up in the morning and you have your breakfast and lunch,  
And then you yawn 'Ah Ah', and you fall asleep on the couch

Little lady bugs lying in a heap, hot and hugging tight  
Mommy puts a little cover on them and they sleep right through the night.

Little lady bugs cute as can be come and play with me  
We'll have some fun, find some flowers, and you can climb a tree.

Little lady bugs, napping again in a bright red rose  
I'll be real quiet so you can rest in your comfy little pose.
